

Experience my “Soup to Nuts” Workshop

STEVE MOMMAERTS
MULTISOFTWARE ASIA LTD

~~US\$2,000 Value~~
for only \$399!

Together we will actually build your new MLM business, from the ground floor up, and launch it right before your eyes.

We will...

- **Build and deploy your Corporate Website**
- **Add a replicated Distributor Back-Office**
- **Add products and assign commission values**
- **Discuss your momentum building Pre-launch**
- **Discuss your Founding Distributor program**

You'll learn everything from my team of industry experts ... from “Soup to Nuts”.

My “Soup to Nuts” approach will clearly define each step that you need to take to be successful, the milestones that will measure your progress and how you can avoid the pitfalls that so many others have encountered in the past.

How do I do it?

Our company MultiSoft Corporation has been servicing the direct sales and MLM industries since 1987. We have experience in the industry from a distributor, a company owner, a vendor and regulatory perspectives.

Our team goal is to make your dream a reality! We will draw on our own 25+ years of experience as the leading industry software vendor, and our products and services will be used to illustrate the concepts covered in this extensive one-of-a-kind workshop.

I will show you hands-on how it is done... and you can expect more than hype laden motivational speaking!

Make Your Dreams Happen
Create a Sample MLM Company in One Day
Discover the Five Key Considerations for Success
Learn to Craft Effective Pay Plans and Vision Plans

**I'll show you how to “do it right”...
the first time!**

My interest is in helping you succeed and ensuring that you can be the best that you can be. Join me for a walk down the path to success!

My “Soup to Nuts” consulting workshop is available only to a **maximum of 5 participants** per workshop and it will be custom tailored to the specific needs of the attendees. Each of the topics offered can be covered in as much detail as you require – you and I will build the curriculum to suit your specific needs.

Your time spent will be hands on and action packed.

My consulting is not about my own self edification, it's about ensuring that you gain the knowledge necessary to be successful in a highly competitive industry.

If you are looking for solid advice from a seasoned industry professional, you are going to absolutely love my **“Soup to Nuts” consulting workshop!**

**My Corporate Software book
will be included FREE!**

My Full Day “Soup to Nuts” Workshop

Introduction

1. What business are you really in?
2. The 5 key components of a successful MLM company.
3. The basis of a successful MLM product or service.
4. The importance of a world-class corporate image.
5. Why your company logo is important.
6. Website design, the window to your enterprise.
7. Creating print materials for your distributors.
8. Components of a Distributor “kit”.
9. Components of a marketing and media kit.

Corporate Compliance

1. PCI Compliance. What is it? How PCI affects you.
2. Are MLM, Direct sale, Affiliate and Party Plans legal?
3. Do I have to register my company?
4. Assistance with compliance and regulations.
5. Ramifications of not being compliant.
6. Do I need to get formal approval for my products?
7. Terms & Conditions / Policies / Rules and regulations.
8. Can I write my legal documents myself?
9. High risk, Credit Card Merchant Accounts.

Products

1. What is the best product for your MLM company?
2. Physical vs. Virtual products.
3. Consumable vs. one time purchases.
4. Sourcing products.
5. The importance of packaging and presentation.
6. Determining pricing.
7. Ensuring that you build a profitable opportunity plan.

MLM Consultants

1. Do I really need a consultant?
2. What does a consultant do for me?
3. Where do I find trustworthy consultants?
4. How much do consultants cost?
5. Selecting a competent consultant, full or part-time
6. Will they help with my compensation plan design?

Compensation Plan Design

1. What is “the best compensation plan”?
2. Should I copy from another successful company?
3. How much is my compensation plan going to pay out?
4. Designing your compensation plan with a consultant.
5. How complex should my compensation plan be?
6. Will my consultant recruit Distributors for me?
7. Can my consultant help me recruit? If the answer is YES, how?
8. Vision Planning and the critically important “Gantt Chart”.
9. How to price and not go broke while realizing a reasonable profit.
10. The famous “Compensation Plan Modeler” (Free software)
11. Creating the vital “Technical System Specifications Document”.

**Pre-Launch vs. Post Launch
(creating your own Gold Rush)**

1. Why a Pre-launch is so important.
2. Iron out issues before the momentum kicks in.
3. The importance of a "Founder Program".

Your Corporate MLM Software

1. Selecting your software vendor... your "Strategic Partner"!
2. The importance of Software Scalability.
3. Replication and the Distributor Back Office.
4. "ASP" or self hosted, what does it really mean to you?
5. What does MLM software do for your company and distributors?
6. What features will I absolutely need?
7. Will I need custom programmed software?
8. How much does MLM software cost?
9. Who owns the software?
10. Do I need to hire an IT expert inhouse?
11. How is shipping handled?
12. How do I collect money?
13. What is a "back office"?
14. What about multiple languages?
15. How do I sell in multiple currencies?
16. What payment methods can be used to pay Distributors?
17. What about hiring my own programmer and building it myself?
18. Can do it cheaper outsourcing to non-MLM programmers?

IMPORTANT NOTICE
 This is a hands-on **PRIVATE** personal, custom Workshop, seating is limited to 5 people!

Marketing
